

BLISS AT BANYAN TREE BINTAN

THE PERFECT PLACE
TO SAY "I DO"

A SENSUAL SETTING

Located on a private beach overlooking the South China Sea, Banyan Tree Bintan is an all-villa resort that offers an unforgettable getaway and a unique wedding experience. Nestled on the Indonesian island of Bintan, this luxurious world-class resort is just 45 minutes from the Tanah Merah ferry terminal in Singapore via high-speed catamaran. Savour the moment as the buzz of a city gives way to nature and tranquility, setting the mood for the romance of a lifetime.

VIEW FROM THE TOP

Taking a leaf from Balinese architecture, each villa is raised on stilts and perched on the rock solid foundation of the hillside with stunning views of the bay below. The interior reflects the local traditional flavour while retaining modern comforts and amenities. Amid birdsong and the soothing lap of waves, this resort has the finest facilities in a rustic environment.

AN ALL-POOL VILLA RESORT

Banyan Tree Bintan offers six types of villas. The Spa Pool Villa, with its own in-villa pool, and the Banyan Pool Villa, with an infinity pool that merges with the horizon, are perennial picks with bridal couples who cherish their privacy. You will also be spoilt for choice with the other firm favourites like Villa-On-The-Rocks and the Seaview Villa. There are several dining venues, a signature spa, and wide array of recreational activities for discerning guests.

OF VOWS AND WOWS

Exchange your vows against a glorious backdrop. Weddings at Banyan Tree Bintan are as lovely and distinct as each bride. The lush hills and white beaches present a multitude of unmatched spaces that offer picture-perfect scenes to make a wedding truly magical and memorable.

THEME: TIMELESS CLASSIC

Celebrate your union with a white and red theme that never goes out of style. What says love better than red roses? This all-time classic floral symbol of love both perfumes and accentuates the passion in the air and matches perfectly with all shades of white, from ivory to cream. There are generous touches of maroon in the colour tones as this crimson shade is closely associated with solidarity and good luck.

THEME: WHIMSICAL MAGIC

Transform your wedding into a magical fairyland with decorations that whisper sweet secrets. Mingle with well-wishers or toast at the VIP table where a glass-cradled matrimonial candle in the floral centrepiece adds warmth and charm. Enhanced by flowers in pink, purple, lilac and all shades in between, the party atmosphere echoes your love and dreams for the future.

THEME: CHARMING ELEGANCE

White-and-gold weddings are extremely elegant and pair well with all other hues and different textures, from the gold bands in the ring box to the sparkling white wine against the sunlight. Go for subtle gold on this special day - the colour of choice for victors and royalty. The stylish guests who grace the occasion will agree that this wedding celebration is worth its weight in gold.

A PERFECT PLACE

Now it's time to pick the spot to celebrate your nuptials. Escape the constraints of a ballroom into the beauty and openness of nature. Banyan Tree Bintan provides several outdoor spaces for treasured ceremonies and photo opportunities, and as importantly, back-up plans for unpredictable weather.

Exchange vows by the private pool in the retreat of your specially decorated villa, framed by the South China Sea and witnessed by a circle of loved ones as white ribbons billow in the breeze. Alternatively, mark your union with the gentle sea breeze in your hair and sand under your feet - Bintan beachfronts make for postcard-perfect wedding venues too.

Hole 8 at Laguna Golf Course is another prime choice. Designed by Greg Norman, the 18-hole Laguna Bintan Golf Club will inspire both golfers and non-golfers alike. Set in 60 hectares of lush landscaping, the course winds gently through a diverse terrain. The eighth green is perfect for scoring the best love of your life. If you are game for this idea, you will also be bowled over by a wedding set-up on our new sun-splashed Santai Deck that offers a bird's eye view of the stunning sea.

WEDDING AND HONEYMOON PACKAGES

As the wedding activities draw to a perfect close, retreat to your private villa to rest and be pampered by your personal butler. When you're ready, luxuriate in the intimacy of a spa treatment for two. Why not extend your stay and extend your bridal bliss? A sanctuary for the senses, Banyan Tree Bintan is an ideal destination for a stress-free honeymoon. Our romance specialists are fully committed to making sure your dream wedding or honeymoon happens without a hitch.
